

PROGRAM SCHEDULE

Day-1: April 24, 2026 - TRANS NASAL

07:30 am - 08:00 am : **Registration & Breakfast**

Session - I : 9th Floor, Auditorium - 1

08:00 am - 08:30 am **Topic** : **3D Endoscopic Anatomy - Sagittal Plane - I (Sella, Parasellar & Suprasellar Region)**
Speaker : Dr. Jaskaran Singh Gosal

08:30 am - 10:00 am : **Prosection - I By The Masters (9th Floor, Auditorium-2)**

Prosection : **Naso Septal Flaps, Sphenoid, Ethmoids & Orbital Apex Exposure**
Master : **Dr. Nishit Shah & Dr. Janhvi Jayesh Bhate (ENT)**

Prosection : **Approach to Sellar and Suprasellar Lesions, Exposure of Sella, Bilateral ICA's, Optic Canal, MOCR, LOCR, Removal of Middle Clinoids, Trans Tuberculum & Trans Planum Approach**
Master : **Dr. Theodore H. Schwartz (Neurosurgeon)**

10:00 am - 10:15 am : **Coffee Break**

10:15 am - 12:30 pm : **Dissection - I By Registered Delegates for Workshop+ Limited Observers (9th Floor, Auditorium - 2)**

Symposium - I : (9th Floor, Auditorium - 1 - For Conference Participants)

Chairpersons : **Dr. Awadhesh Kumar Jaiswal, Dr. Suchanda Bhattacharjee, Dr. P. V. K. Kishore**

10:15 am - 10:27 am **Topic** : **Pituitary Adenoma, How Do I Approach ?**
Speaker : Dr. Shyam Sundar

10:27 am - 10:39 am **Topic** : **Trans Septal Approach to Pituitary Adenoma**
Speaker : Dr. Ramesh Teegala

10:39 am - 10:51 am **Topic** : **Roadmap to ICA in Skull Base Endoscopy**
Speaker : Dr. Shejoy Joshua

PROGRAM SCHEDULE

Day-1: April 24, 2026 - TRANS NASAL

10:51 am - 11:03 am	Topic	: Re-do Surgery in a Recurrent Pituitary Adenoma
	Speaker	: Dr. Prakash Nair
11:03 am - 11:15 am	Topic	: Giant Pituitary Adenomas, Surgical Management Strategies
	Speaker	: Dr. Dattaraj Sawarkar
11:15 am - 10:27 am	Topic	: Endonasal Resection of Craniopharyngioma
	Speaker	: Dr. Theodore H. Schwartz
11:27 am - 11:39 am	Topic	: Microsurgical Management of Craniopharyngiomas
	Speaker	: Dr. Siddhartha Gosh
11:39 am - 11:51 am	Topic	: Skull Base Endoscopy in Pediatrics
	Speaker	: Dr. Dhandapani S S
11:51 am - 12:30 am	Panel :	: Sellar & Suprasellar Lesions
	Discussion	: Microscopic Vs Endoscopic Approach
	Moderator	: Dr. Dwarakanath Srinivas
	Panelists	: Dr. Theodore H. Schwartz, Dr. Calvin Mak, Dr. Dilip Panikar, Dr. Subodh Raju
12:30 pm - 01:00 pm		: Lunch

Session - II : 9th Floor, Auditorium - 1

01:00 - 01:30 pm	Topic	: 3D Endoscopic Anatomy - Sagittal Plane - II (Anterior Skull Base)
	Speaker	: Dr. Jaskaran Singh Gosal

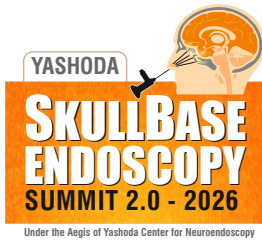

01:30 pm - 03:00 pm : Prosection - II By The Masters (9th Floor, Auditorium-2)

Prosection : Anterior Skull Base Exposure, Identification of AEA & PEA, Frontal Sinus & Cribriform Exposure

Master : Dr. Nishit Shah & Dr. Janhvi Jayesh Bhate (ENT)

Prosection : ACF Resection

Master : Dr. Ayyadurai R (Neurosurgeon)

PROGRAM SCHEDULE

Day-1: April 24, 2026 - TRANS NASAL

03:15 pm - 05:00 pm : **Dissection - II By Registered Delegates for Workshop+ Limited Observers (9th Floor, Auditorium - 2)**

Symposium - II : (9th Floor, Auditorium-1 - For Conference Participants)

Chairpersons : Dr. Ashish Suri, Dr. Vamshi Krishna, Dr. Edmond Jonathan

03:15 pm - 03:27 pm **Topic** : **Endoscopic Approach to Anterior Skull Base Meningiomas, When & How ?**

Speaker : Dr. Anil Kumar Sharma

03:27 pm - 03:39 pm **Topic** : **Microsurgical Management of Anterior Skull Base Meningiomas**

Speaker : Dr. Dilip Panikar

03:39 pm - 03:51 pm **Topic** : **Biportal Endoscopic Trans Orbital Surgery for Parasellar & Skull Base Lesions**

Speaker : Dr. Calvin Mak

03:51 pm - 04:03 pm **Topic** : **Sinonasal Malignancies, Indications & Limitations of Endonasal Assisted Approach**

Speaker : Dr. Krishna Kumar

04:03 pm - 04:15 pm **Topic** : **Endoscopic Reconstruction of Anterior Skull Base, Available Armamentarium Based on Size of Defects**

Speaker : Dr. Ravi Shankar

04:15 pm - 04:45 pm **Panel Discussion** : **Cavernous Sinus Lesions Microscopic Vs Endoscopic Approach**

Moderator : Dr. Ayyadurai R

Panelists : Dr. Kuntal Kanti Das, Dr. Dhandapani S S, Dr. Ramesh Chandra V V, Dr. Vamshi Krishna

PROGRAM SCHEDULE

Day-2 : April 25, 2026 - TRANS NASAL

07:30 am - 08:00 am : Registration & Breakfast

Session - III : 9th Floor, Auditorium - 1

08:00 am - 08:30 am **Topic** : **3D Endoscopic Anatomy - Coronal Plane - I (Transpterygoid Approach, Cavernous Sinus, Retrosellar Region & Pituitary Transposition)**

Speaker : Dr. Jaskaran Singh Gosal

08:30 am - 10:00 am : **Prosection - III By The Masters (9th Floor, Auditorium - 2)**

Prosection : **Exposure of Lateral Recess, Trans Pterygoid Approach (Exposure of Vidian Nerve, V2)**

Masters : **Dr. Vinod Felix (ENT)**

Prosection : **Exposure of Cavernous Sinus, Ligaments, Medial Wall Resection, Cavernous ICA Mobilization, Cranial Nerves Identification, Removal of Posterior Clinoid & Pituitary Transposition, Door to Meckel's Cave**

Masters : **Dr. Theodore H. Schwartz (Neurosurgeon)**

10:00 am - 10:15 am : **Coffee Break**

10:15 am - 12:30 pm : **Dissection - III By Registered Delegates for Workshop + Limited Observers (9th Floor, Auditorium - 2)**

Symposium - III : (9th Floor, Auditorium - 1 - For Conference Participants)

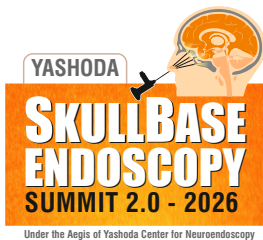

Chairpersons : **Dr. Anil Kumar Sharma, Dr. Sreedharala Sreenivas, Dr. Khalid Mohammed Coco Mahjoub**

10:15 am - 10:27 am **Topic** : **Roadmap to Cranial Nerves in Skull Base Endoscopy**

Speaker : Dr. Ajit Nair

10:27 am - 10:39 am **Topic** : **Extended Endoscopic Approaches for Pituitary Adenomas, When & How ?**

Speaker : Dr. Ashish Suri

PROGRAM SCHEDULE

Day-2 : April 25, 2026 - TRANS NASAL

10:39 am - 10:51 am	Topic	: Microsurgical Management of Cavernous Sinus Lesions
	Speaker	: Dr. Manas Panigrahi
10:51 am - 11:03 am	Topic	: Intraoperative injury to ICA During Trans Nasal Surgery, Management Strategies
	Speaker	: Dr. Deepak Bhangale
11:03 am - 11:15 am	Topic	: eyebrow Approach for Olfactory Groove Meningiomas
	Speaker	: Dr. Theodore H. Schwartz
11:15 am - 10:27 am	Topic	: Endonasal Endoscopic Approach to Clival & Paraclival Lesions
	Speaker	: Dr. Roopesh Kumar V R
11:27 am - 11:39 am	Topic	: Video Demonstration : Endoscopic Endonasal Trans Clival Clipping of Basilar Tip Aneurysm
	Speaker	: Dr. Raman Mohan Sharma
11:39 am - 11:51 am	Topic	: Clival Defect Reconstruction, Techniques & Challenges
	Speaker	: Dr. Nishit Shah
11:51 am - 12:30 pm	Panel Discussion	: Meckel's Cave Lesion - 3 Different Perspectives
	Moderator	: Dr. Ayyadurai R
	Microscopic Perspective	: Dr. Kuntal Kanti Das
	Endonasal Perspective	: Dr. Prakash Nair
	Trans Orbital Perspective	: Dr. Calvin Mak
	Followed by Discussion	
12:30 pm - 01:00 pm		: Lunch

Session - IV : 9th Floor, Auditorium - 1

01:00 pm - 01:30 pm	Topic	: 3D Endoscopic Anatomy - CORONAL II & Sagittal Plane - III (Clivus, Foramen Lacerum & Petrous Apex)
	Speaker	: Dr. Jaskaran Singh Gosal

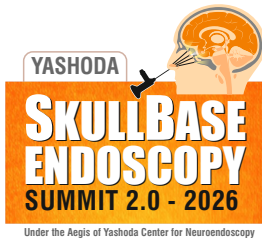

PROGRAM SCHEDULE

Day-2 : April 25, 2026 - TRANS NASAL

01:30 pm - 03:00 pm	: Prosection - IV By The Masters (9th Floor, Auditorium - 2)
	Prosection : Approach to Clivus, Lacerum & Eustachian Tube Exposure Master : Dr. Vinod Felix (ENT)
	Prosection : Drilling of Clivus, Foramen Lacerum Release, Paraclival ICA Exposure, Petrous Apex & Opening Posterior Fossa Master : Dr. Ashish Suri & Dr. Prakash Nair (Neurosurgeons)
03:00 pm - 05:30 pm	: Dissection - IV By Registered Delegates for Workshop + Limited Observers (9th Floor, Auditorium - 2)

Symposium - IV : (9th Floor, Auditorium - 1 - For Conference Participants)

	Chairpersons : Dr. TVRK Murthy, Dr. Narsinga Rao, Dr. B. S. V. Raju
03:15 pm - 03:27 pm	Topic : Intraoperative Neuromonitoring in Skull Base Endoscopy Speaker : Dr. Vishwanath S Bhaire
03:27 pm - 03:39 pm	Topic : Endoport Assisted Endoscopic Surgery for Deep-Seated Brain Tumors Speaker : Dr. Suresh Sankhla
03:39 pm - 03:51 pm	Topic : Advanced Visualization Tools & Flexible Endoscopy in Skull Base Surgery Speaker : Dr. Calvin Mak
03:51 pm - 04:03 pm	Topic : Endonasal Endoscopic Suturing of Skull Base Dura: Technical Nuances and Physiological Basis of Skull Base Repair Speaker : Dr. Sushanta Kumar Sahoo
04:03 pm - 04:15 pm	Topic : Endonasal Approach to Jugular Foramen Speaker : Dr. Kiruba Shankar

PROGRAM SCHEDULE

Day-2 : April 25, 2026 - TRANS NASAL

- 04:15 pm - 04:45 pm **Panel Discussion : Anything & Everything About Trans Orbital Approach**
Moderator : Dr. Prakash Nair
Panelists : Dr. Theodore H. Schwartz, Dr. Calvin Mak, Dr. Awadhesh Kumar Jaiswal, Dr. Deepak Bhargale
- 04:45 pm - 05:00 pm : Coffee Break
- Symposium - V : Video Presentations (9th Floor, Auditorium - 1 - For Conference Participants)**
- Chairpersons** : Dr. Suresh Sakhla, Dr. Ameer Pasha, Dr. Babji
- 05:00 pm - 05:10 pm : **Lateral Trans Orbital Approach**
: Dr. Ramesh Chandra V V
- 05:10 pm - 05:20 pm : **Extended Endonasal Approach for Tuberculoma Sellae Meningioma-Technical Nuances**
Dr. Nimesh Patel
- 05:20 pm - 05:30 pm : **Endoscopic Approach to Craniopharyngioma**
Dr. Sandeep Iratwar
- 05:30 pm - 05:40 pm : **Treading Microsurgical Extradural Clinoidectomy with Optic Canal Drilling to Transorbital Endoscopic Clinoidectomy and Optic Canal Decompression**
: Dr. Abhiram Gabbita
- 05:40 pm - 05:50 pm : **Endoscopic Dural Suturing Model for Simulation**
Dr. Ashwin V G
- 07.30 pm onwards : **Conference Banquet**
Venue: Park Hyatt, Banjara Hills
